TERMINAL DISCLAIMER

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

1. Texas Instruments Incorporated, a Delaware corporation, states that it is the assignee of the entire right, title, and interest in this patent, by virtue of an assignment from the inventors of this patent application.

2. Texas Instruments Incorporated hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on this application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,925,634 (the "prior patent") as the term of the prior patent is defined in 35 U.S.C. §154 and 35 U.S.C. §173, and as the term of the prior patent is presently shortened by any terminal disclaimer. Texas Instruments Incorporated agrees that any patent so granted on this patent application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on this application and is binding upon the grantee, and its successors or assigns

3. Texas Instruments Incorporated hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on this application which would

extend beyond the expiration date of the full statutory term of any patent granted on pending application S.N. 09/998,329 and pending application S.N. 09/998,756 (the "reference applications") as such term is defined in 35 U.S.C. §154 and 35 U.S.C. §173, and as the term of any such patent granted on the reference applications may be shortened by any terminal disclaimer filed prior to the grant thereof. Texas Instruments Incorporated agrees that any patent so granted on this patent application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on this application and is binding upon the grantee, and its successors or assigns

4. In making this disclaimer, Texas Instruments Incorporated does not disclaim the terminal part of the term of any patent granted on this application that would extend to the expiration of the full statutory term as defined in 35 U.S.C. §154 and 35 U.S.C. §173 of the prior patent "as the term of the prior patent is presently shortened by any terminal disclaimer", or of any patent granted on the reference applications, "as the term of any such patent granted on the reference applications may be shortened by any terminal disclaimer filed prior to the grant thereof", in the event that such patent later:

- a. expires for failure to pay a maintenance fee;
- b. is held unenforceable;
- c. is found invalid by a court of competent jurisdiction;
- d. is statutorily disclaimed in whole or terminal disclaimed under 37 C.F.R. §1.321;
- e. has all claims canceled by a reexamination certificate;
- f. is reissued; or
- g. is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

5. The undersigned is an attorney of record in this application.
